

THE LIGA BOOK PROJECT
-Procedure Document-

-DRAFT 2012-

1. The Liga Book Project is created by the Liga Medicorum Homoeopathica Internationalis to facilitate the distribution of homeopathic books to reference libraries and individual physicians worldwide who could not otherwise afford to buy them.
2. The Administrative authority of the Liga Book Project shall rest with the LMHI Executive Officers. The liaison in each country shall be that country's National Vice President or National Representative.
3. The selection process for those who shall participate in the Project shall be handled by the LMHI Secretary for Education and the Liga Executive Officers. Their decisions shall be final. Those decisions shall be based on information obtained regarding the need of the country in question provided by the respective National Vice President/Representative an/or by direct knowledge of one or more of the Liga Executive Officers.
4. There shall be 3 categories of books available in the Liga Book Project: Reference Works, Practical Texts and Others
 - 4.1. Reference Works:
 - 4.1.1. *The Encyclopedia of Pure Materia Medica*, Timothy F. Allen, M.D.
 - 4.1.2. *The Guiding Symptoms of the Materia Medica*, C. Hering, M.D.
 - 4.1.3. *Dictionary of Practical Materia Medica*, John Henry Clarke, M.D.
 - 4.2. Practical Texts
 - 4.2.1. *Organon of Medicine*, S. Hahnemann, M.D.
 - 4.2.2. *Lectures on Homoeopathic Philosophy*, J.T. Kent, M.D.
 - 4.2.3. *Expanded repertory*, J.T. Kent, M.D.
 - 4.3. Others

The participants of the "Book Project" can apply for other homeopathic basic books which are considered fundamental for the homeopathic teaching and learning according to the principles of the homeopathic therapy, as defined in the Organon of Hahnemann, and accepted by the Liga Executive Officers.
5. Each of these works offered in the Liga Book Project shall have the official seal of the Liga Medicorum Homoeopathica Internationalis affixed in three places within each volume: inside page front, inside page rear and in a center page. Additionally, each book shall be stamped with the statement "Liga Book Project. Not for Resale".
6. The books available in the Liga Book Project shall be distributed to libraries and/or individual physicians under the attestation of the signature of that physician and his National Vice President/Representative. Should he/she cease the practice of homoeopathy, he/she must surrender the Text. The National Vice President/Representative is responsible for keeping the Liga informed of the whereabouts of the texts. Moreover, he/she is responsible for transmitting all pertinent records to his/her successor.
7. There shall be a written contract drawn between the Liga represented by the LMHI Education Secretary and the respective recipients.
 - 7.1. The National Vice President/Representative shall recommend the Center and/or individuals to receive pertinent books.
 - 7.2. The National Vice President/Representative shall sign the contract between the Liga and the respective country whether the work is to be placed in a library or a physician's office.
 - 7.3. The recipient physician shall also sign the contract for any book lent to him for use in his office.
 - 7.4. The National Vice President/Representative or the national association which has ordered the books agrees AND is responsible to keep the books accessible to all interested homeopathic colleagues of that country.

8. These contracts shall be reviewed at the time of the change of the National Vice President/Representative, which ever comes first.
9. The contract shall be signed by the LMHI Education Secretary on behalf of the Executive Officers and of the LMHI.
